

## HEALTHJOY RX SAVINGS

# HealthJoy helps you uncover prescription savings using custom strategies and artificial intelligence

## How does an Rx savings review work?

HealthJoy's healthcare concierge team will review your prescription medications. They'll use nine different strategies to see if there's potential to save you money:

- ▶ Therapeutic alternatives
- ▶ Manufacturer coupons
- ▶ Prescription assistance program
- ▶ Third-party savings
- ▶ Mail-order options
- ▶ International mail-order
- ▶ Pharmacy shopping
- ▶ Dosage optimization
- ▶ Generic alternatives

After our review, you'll get answers about whether you're getting the most value for your important medications.

## How to complete a HealthJoy Rx Savings review:

- 1 Open your HealthJoy app.\*
- 2 Scroll down, tap "Ask a Health Concierge," and choose "Find Rx Savings."
- 3 Follow the steps to set up your Rx Savings Review.

\*If you haven't activated your account yet, please visit the App Store or Google Play Store today to do so.
