

Dental Network Savings in the US and Mexico

Save money

Dentists in the Ameritas Dental Network have agreed to charge 25-50% less than their regular rates.

Many also offer discounts on non-covered dental services as allowed by U.S. laws. Network provider charges are guaranteed to be below the plan allowance.

Exceptional network

The Ameritas Dental Network is one of the largest in the U.S.

Locate network providers in the U.S. at ameritas.com – [Find a Health Provider](#).

See any dentist

Your Ameritas dental plan allows you and your family members to receive care from any licensed dental provider, in- or out-of-network. You do not need to switch providers. Family members do not need to visit the same dentist.

Know what's covered

For services over \$200, you can ask your dentist to request a pretreatment estimate from Ameritas. You will receive a written response showing what Ameritas estimates your dental plan will pay, and the amount you will owe.

Avoid paperwork

When visiting a network provider, there are no claim forms to submit.

Find providers in Mexico
