

Expanding Access to GLP-1 Medications

Introducing CareGLP: Affordable,
Accessible Weight Management

HealthJoy makes it easy for members like you to access, navigate, and afford care. You now have access to **more affordable GLP-1 medications** within the HealthJoy app.

Key Benefits

Cost Savings

Receive up to 50% off retail pricing for in-demand GLP-1s

Ease of Access

Start your journey with just a few clicks in the HealthJoy mobile app or web experience

Seamless Support

Access ongoing communication and support from a doctor and nurse team once you're in the program

Integrated Experience

Works alongside your existing coverage and benefits

CareGLP Access

You can access CareGLP through the HealthJoy app via a clinically guided, streamlined process for GLP-1 medications. Transparent pricing and direct payment options allow you to manage your weight from the comfort and convenience of your home – without surprise expenses. It's all part of our continued mission to make healthcare simpler and more cost-effective.

**A simpler and more affordable
way to access GLP-1s**
