

Give and Engage to Care Within and Beyond

Better Together reflects our belief that we can accomplish more together than alone. This initiative empowers Sun Health team members to **give** and **engage** in support of each other and the causes that matter most to the people we serve.

GIVE

Giving is how we take care of our own. Show your teammates you care by donating to Operation Thanksgiving and/or the Team Member Emergency Fund.

Operation Thanksgiving Fund

For some Sun Health families, the holidays bring extra financial pressure, so we provide a full meal box so they can focus on gratitude and joy with loved ones instead of stress.

Team Member Emergency Fund

This fund has helped hundreds of team members through their hardest moments, whether covering funeral expenses, medical bills, or unexpected hardships.

To give, please visit team.sunhealth.org/giving-back/bettertogether

Together, these two funds reflect the very best of who we are at Sun Health. When we choose to give, we strengthen the culture of care, compassion, and support that connects us all.

ENGAGE

Engaging extends our generosity outward, supporting philanthropic work across our community through volunteering and participation.

VOLUNTEER

Provide pre- and event-day support for Foundation fundraisers, assemble Thanksgiving boxes, promote Better Together, proofread the Community Impact Report, or volunteer with a Sun Health partner.

PARTICIPATE

Walk in the Heart Walk, attend a Coffee Connections session or scholarship presentation, attend fundraising events as a ticket holder, or share stories and social posts highlighting Foundation initiatives.

Better Together

When team members engage, they are ambassadors for our mission, showing our community that healthy longevity for all is a priority embraced throughout the Sun Health family.

Please secure manager approval first if the activity will occur during your work hours.

Engage with Sun Health or with our community partners:

- American Heart Association – Heart Walk
- Banner Olive Branch Senior Center
- Benevilla
- Hilltop Theater and Concert Hall (a Rancho La Loma collaboration)
- Leading Age
- Sun City West Softball Club – Cardiac Kids Softball Tournament
- Sun City West Foundation
- WESTMARC
- West Valley Regional Chamber

BE RECOGNIZED

Your efforts support a culture of generosity and community impact. Every time you **give** or **engage**, you earn a point. Every team member can participate.

As you earn points, you earn designations illustrating your contribution. These milestones come with small tokens of appreciation and a sincere thank you from leadership.

It's recognition you can proudly add to your resume, but it's also an opportunity to demonstrate your commitment to our mission, inspire others to get involved, and help strengthen our impact.

Better Together

How Do Points Work?

1 Qualifying Activity = 1 Impact Point

That's it! Your points add up throughout the fiscal year.

Giving through Sun Health Foundation?

We track your gift (and points) through Foundation records.

Engaging in a Sun Health Foundation activity?

We track your participation (and points) for you.

Engaging with an approved Sun Health community partner?

Email foundation@sunhealth.org with the information below to receive your Impact Point.

Subject: Impact Point – Your Name

Include:

WHERE: Organization or event

WHEN: Date of activity

PROOF: Photo, registration, thank-you email, or other proof of participation

Example:

I volunteered at Banner Olive Branch Senior Center on August 15. I helped to run a “sip and paint” activity designed to help seniors express creativity while making social connections. Photo attached.
